Mini-Assembly II on Saturday, June 13 was amazing!

Our “Charlie Brown” skit was very well received, funny and informative – lots of laughter from the audience. We had a ball.

The other District had a trivia contest which was so much fun as well.

Delegate Dan sat for hours with a break for lunch giving a PowerPoint presentation of Conference. He made of video of himself starting with day 1, each day with a mini report – very special, uplifting and sometimes comical.

Third Area Quarterly Meeting - Sunday, June 14 - had reports from all of the officers and Sub Committees.

There was motion to have all current DCMs and area officers submit a written service resume prior to EPGSA for voters to reference during Area elections. Motion did not pass.

Interesting announcements and approved actions:

The AA World Service Board purchased the Everything AA app.

Recognizing there is much appreciation by current app users for speaker recordings like the “Joe & Charlie Tapes” and other materials, including those not developed within our U.S./Canada structure, it will be necessary to remove these items as they are not conference-approved.

✓ Removal of references to the app developer and related messages from them.

✓ Updating the terms and conditions to align with our other digital platforms.

✓ Update and simplify the “Meetings” tab to refer primarily to the Meeting Guide App.

✓ The AAWS Board will also consider establishing a subscription-based model and updating the “Support Us” tab to “Subscribe.”

For many reasons, they cannot disclose the amount for paid for the app.

Advisory Action Highlights on separate document send via email with other reports. Copy is in your packet. We will be reviewing the information piecemeal over the next few meetings.
